SHRI SATISH AGARWAL (Rajasthan); Madam, I am on a point of order.

THE DEPUTY CHAIRMAN: Mr. Murthy, Mr. Agarwal has some objection.

SHRI SATISH AGARWAL: Madam Deputy Chairman, I am raising an objection with regard to item No. II whereby the Reports of the Comptroller and Auditor General of India fa; the year ended 31st March, 1993 relating to Indirect Taxes, Direct Taxes and Railways more particularly... *(interruptions)*... Madam, you are well aware that this House had already discussed the Reports and the Demands for Grants for Railways, and the Finance Bill just yesterday. I fail to understand why these Reports which were laid on the Table of the Lok Sabha long, long back, have been withheld from the hon. Members of this House. Before this House took up the discussion on the Finance Bill and the Demands for Grants for Railways, it would have been much better had these Reports been laid on the Table of the House two days earlier because we could have taken advantage of these Reports, particularly while discussing the Finance Bill. What is the fun in laying the Reports with regard to Direct Taxes and Indirect Taxes now? Why didn't you lay them before the discussion on the Finance Bill took place yesterday in this House? Please explain to the House and apologise for the delay in laying these Reports.

SHRI SHANKAR DAYAL SINGH (Bihar): Madam, we support the hon. Member.

THE MINISTER OF FINANCE (SHRI MANMOHAN SINGH): Madam, if any apology is required, I have no-hesitation in apologising to the House for the delay ..*(interruptions)*..

THE DEPUTY CHAIRMAN: It might have been by oversight.

Report and Accounts (1992-93) of the Power Engkieers Training Society, Faridabad and Related Papers
